PNMF Education and Rescue requests a donation up to \$350.00 for the adoption of a Mastiff through our program. This tax deductible donation offsets expenses including medical, that we may have incurred. Operating our not for profit 501(c)(3) charitable organization in a caring and professional manner is important to us and we can only do this through donations.

All the information I have given above is true and complete. PNMF Education and Rescue has my/our permission to contact individuals and/or businesses listed in above responses. Should an intact Mastiff be placed with me, I agree to have it spayed or neutered within one month of adoption or by the date agreed upon by me and a representative of PNMF Education and Rescue. This dog will live in my home as a pet. It is solely my responsibility to provide adequate food, water, shelter, exercise, socialization, training, affection, safety and medical care. I understand that it is my responsibility to see and evaluate the dog for myself before agreeing to adopt it. I agree not to sell, trade, transfer or dispose of said animal in any way, but to return him/her to PNMF Education and Rescue if at any time I relinquish custody. It is also understood and agreed that said animal will not be used for medical purposes (INITIAL _____) I am in full agreement with these terms of adoption. PNMF Education and Rescue is in no way liable or responsible for any damages, accident or injury resulting from the placement of a dog into my household and I/we agree to indemnify and hold harmless PNMF Education and Rescue and its officers, members and/or agents from any claim for damages arising from actions of a dog adopted by me/us I have read the above and by affixing my signature below, agree to abide by the provision of this contract
